

# OSPMI New Website Feature

Would you like to connect with fellow OSPMI members? Try the new feature that allows you to search the member database and network with your peers. For your continued privacy and security, this is an **opt-in** feature and requires one to be a Chapter member as well as logged in to the site. Your information will not be displayed until you **opt-in**.

Follow these simple steps:

- Navigate to our homepage: <https://ospmi.org/>
- Login as a member
  - Not a member? Please join PMI and OSPMI Chapter
- Scroll down to locate “Chapter Membership” on the left side of the page
- Click on the Certification name for information about that particular certification  
OR
- Click on the Number to see a list of members with a particular certification

The screenshot shows a table titled "CHAPTER MEMBERSHIP" with two columns: Certification Name and Number of Members. Red arrows point from text instructions to the certification names and the number '8' in the table.
